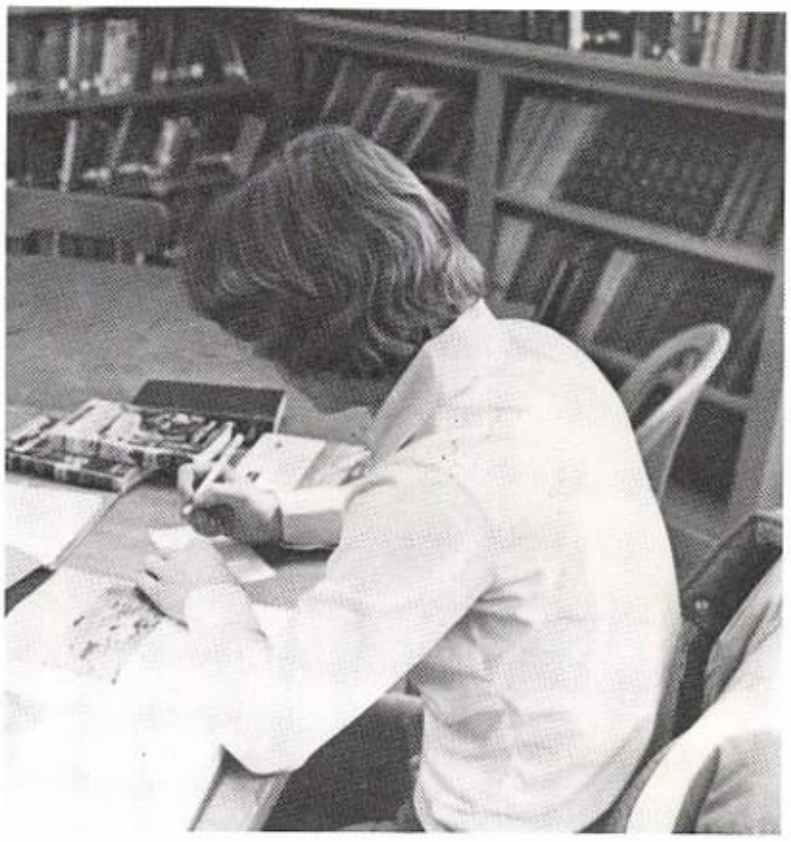
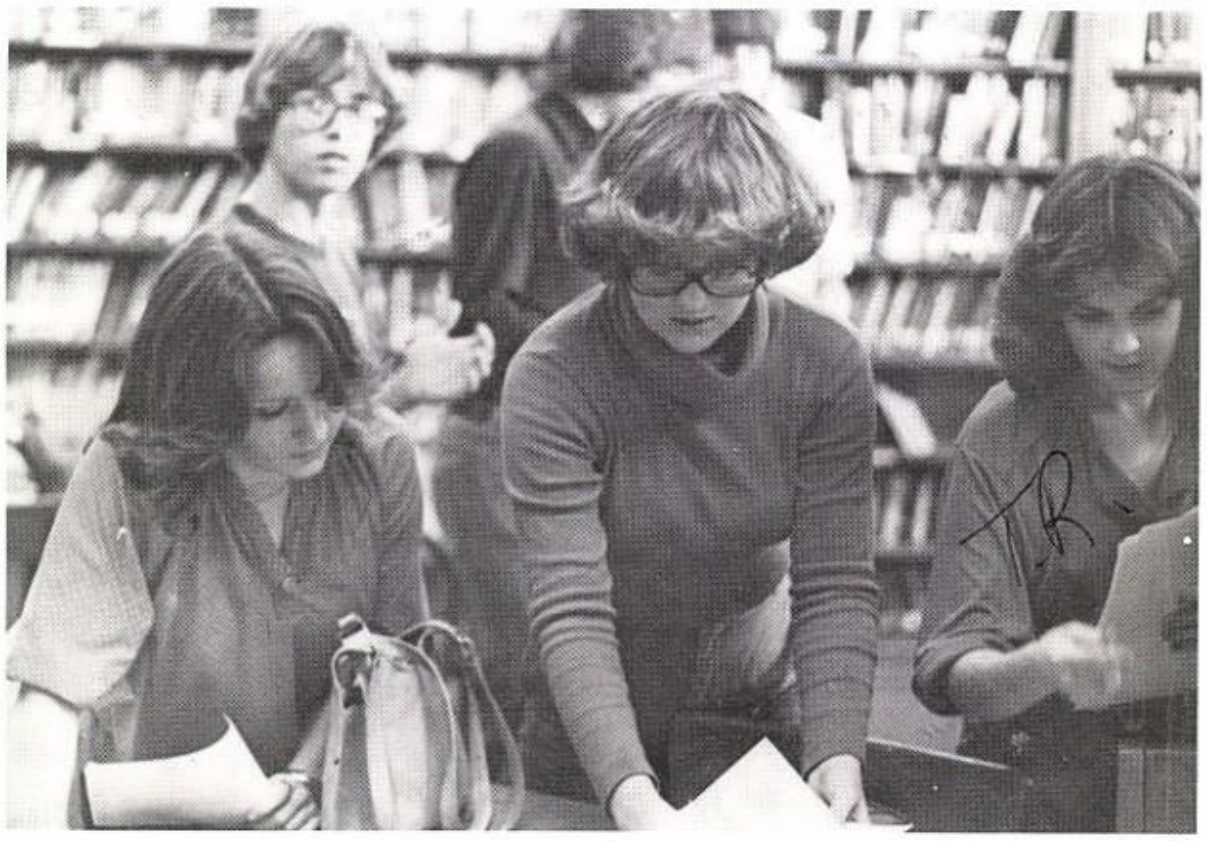
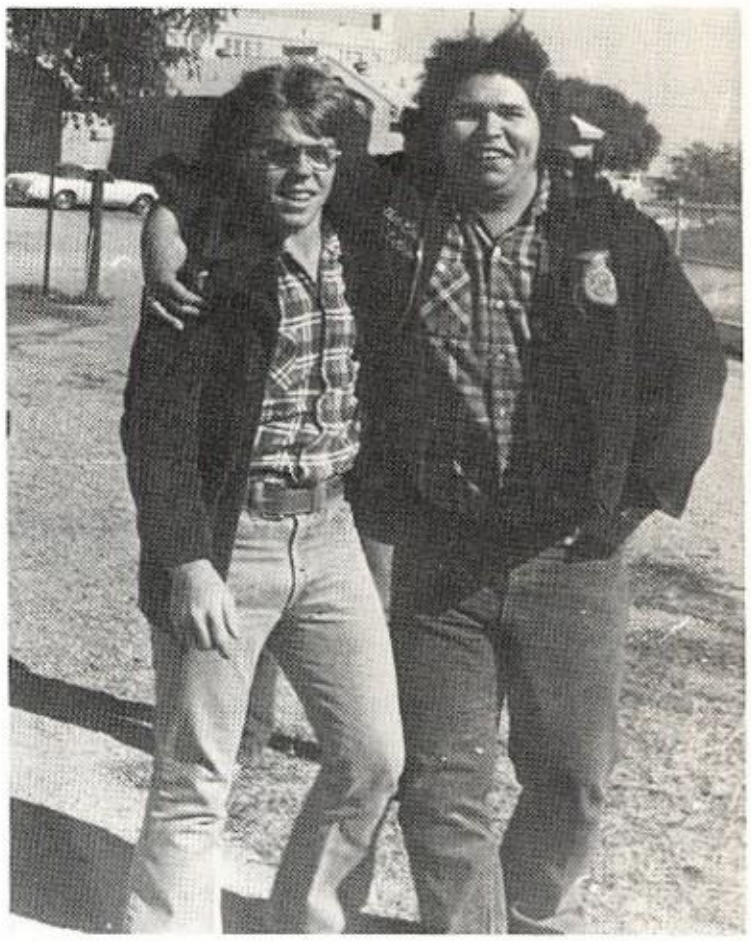
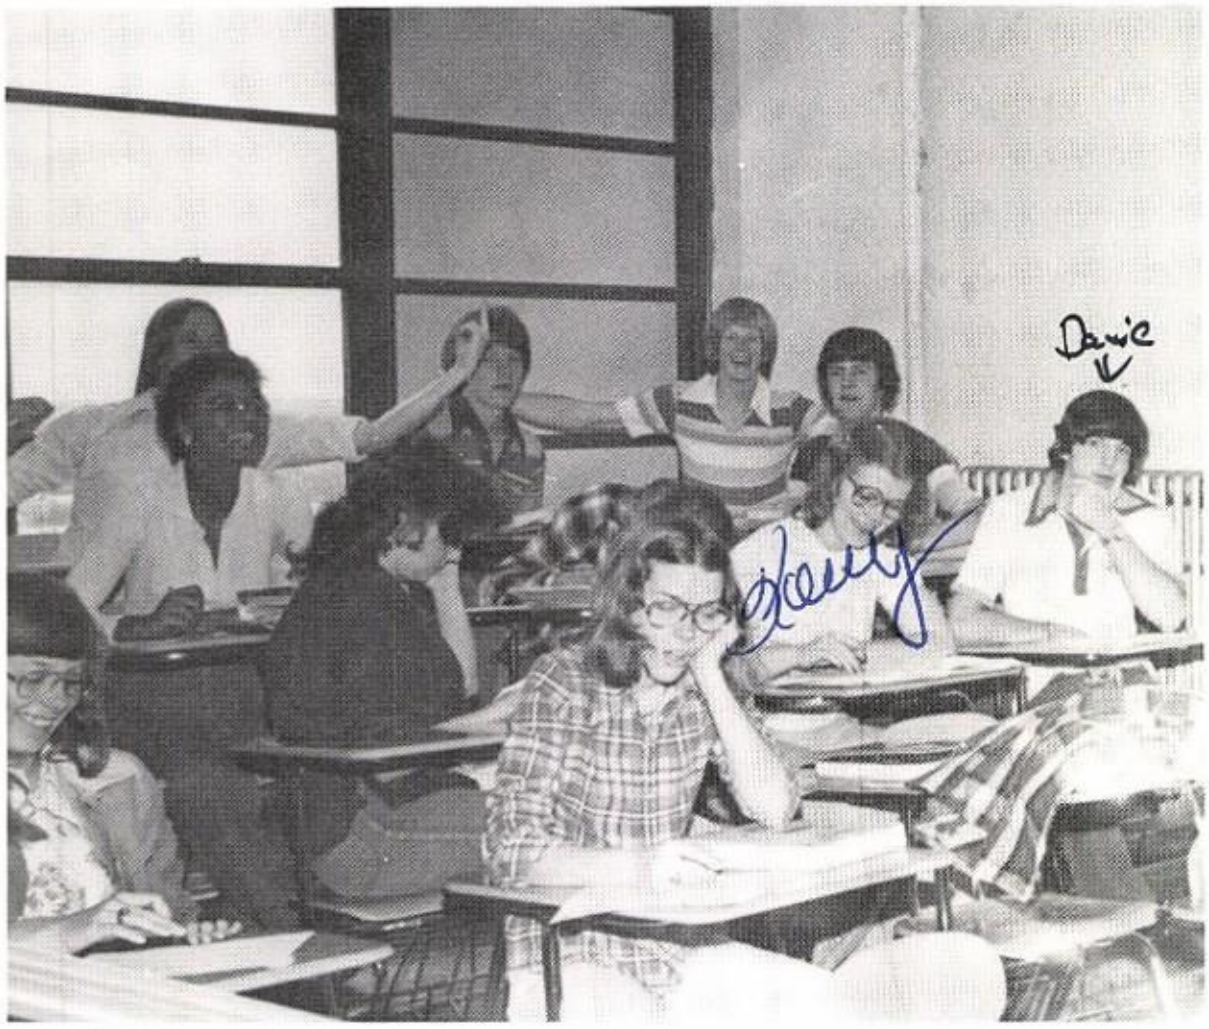
Building, Growing





And Improving





Engineering Headquarters

We the annual staff of Eastland High School would like to dedicate the 1978-79 *Maverick* to the School Board, Mr. Ray Pruitt, and the taxpayers of Eastland, Texas.

We truly appreciate the improvements that were made on the hill for our comfort and convenience.

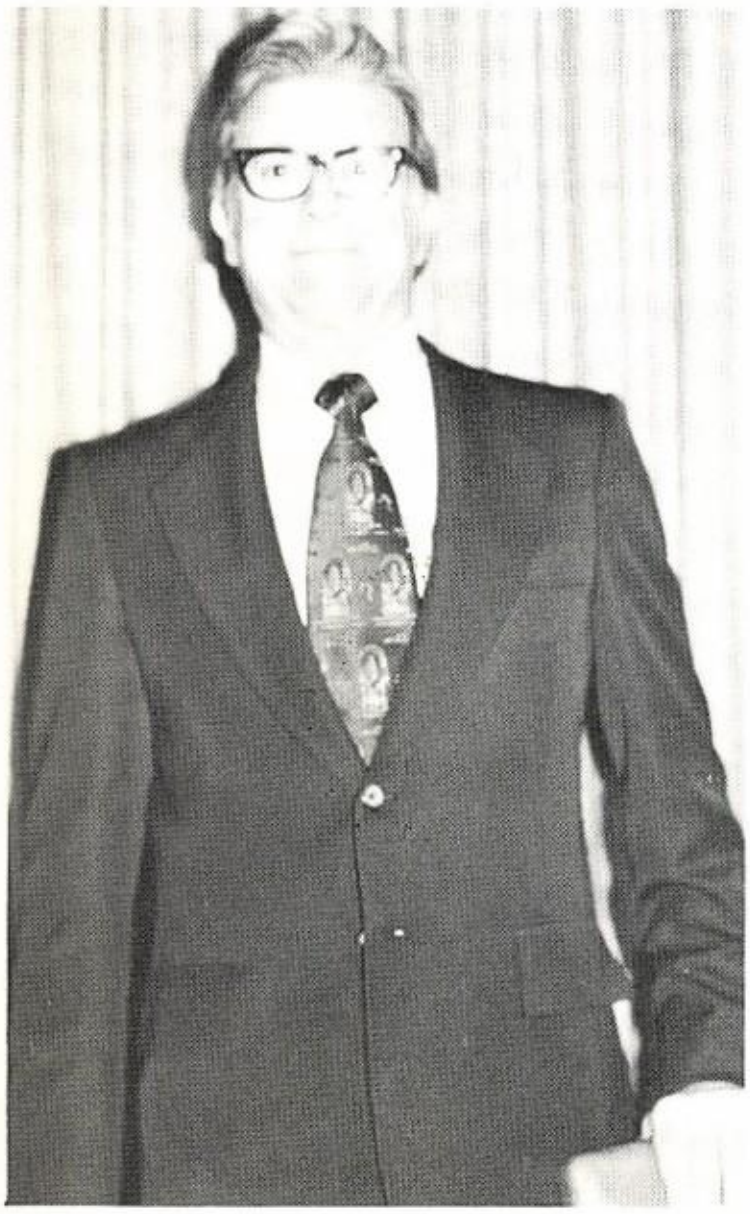
Aside from their usual duties of electing school personnel, setting salary schedules, and adopting the annual budget, the School Board and Mr. Ray Pruitt were also responsible for the bond issue which entitled us to new facilities as well as the improvements of old facilities.

They were very active and conscientious about adding what they felt would benefit the students at Eastland High School.

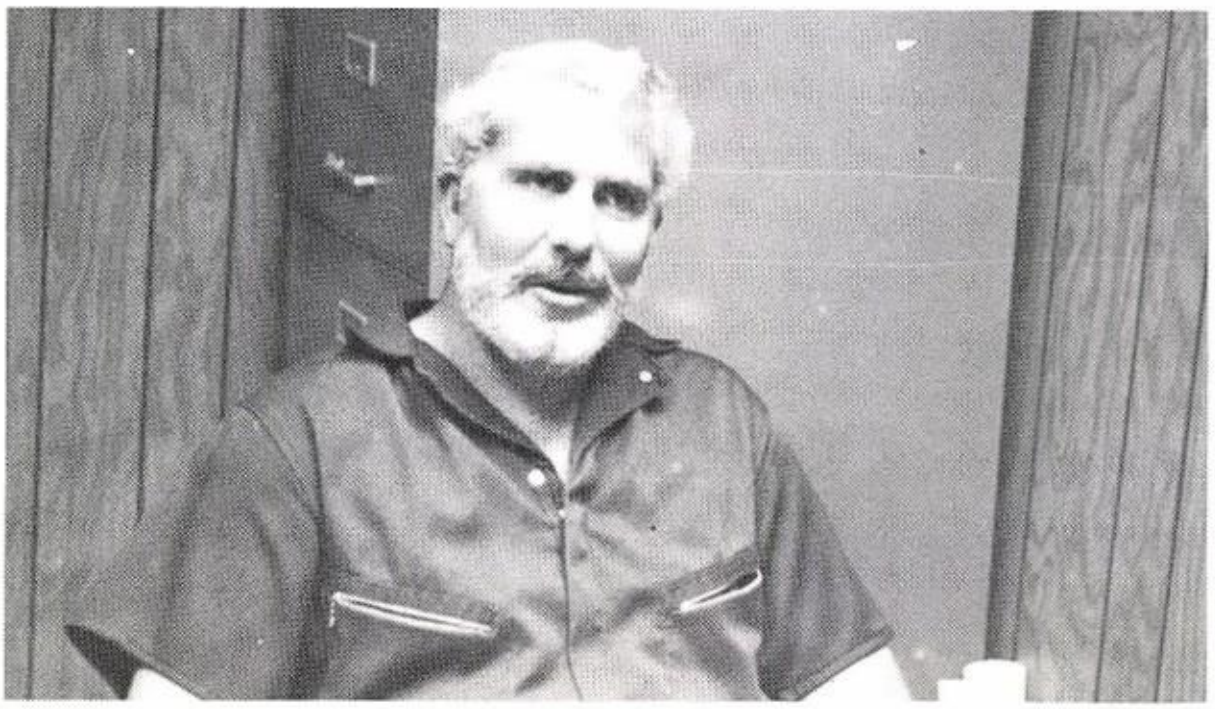
With all the renovations—too numerous to mention—we the students and faculty would like to take this opportunity to say 'Thank you' School Board and Mr. Pruitt for all your time and concern.

School Board Members were: Mr. Dick Johnson; Mr. Ray Pruitt, Superintendent; and Mr. Jim Wright, Secretary.

School Board Members were: Don Martin, Vice President; Mrs. Loretta Bulgerin, and Mr. H.V. O'Brien.



School Board President, Mr. James Reid.



School Board Member, Mr. John Nevill.

Yesterday's Heritage
Today's Strength
Tomorrow's Pledge

On June 20, 1782, the American Bald Eagle was chosen by our forefathers as our national emblem for it represented strength...the strength necessary for which to build a free nation with the highest of ideals. As a pledge to these ideals, we at Eastland National Bank have incorporated the American Eagle in our new symbol...a symbol to remind our customers and ourselves of the pride we share in our rich heritage and the strength we pledge to our country and community. With this new symbol and its representations, we pledge ourselves to the future to better serve your needs and those of our community.

Paul,
Good luck in all you do

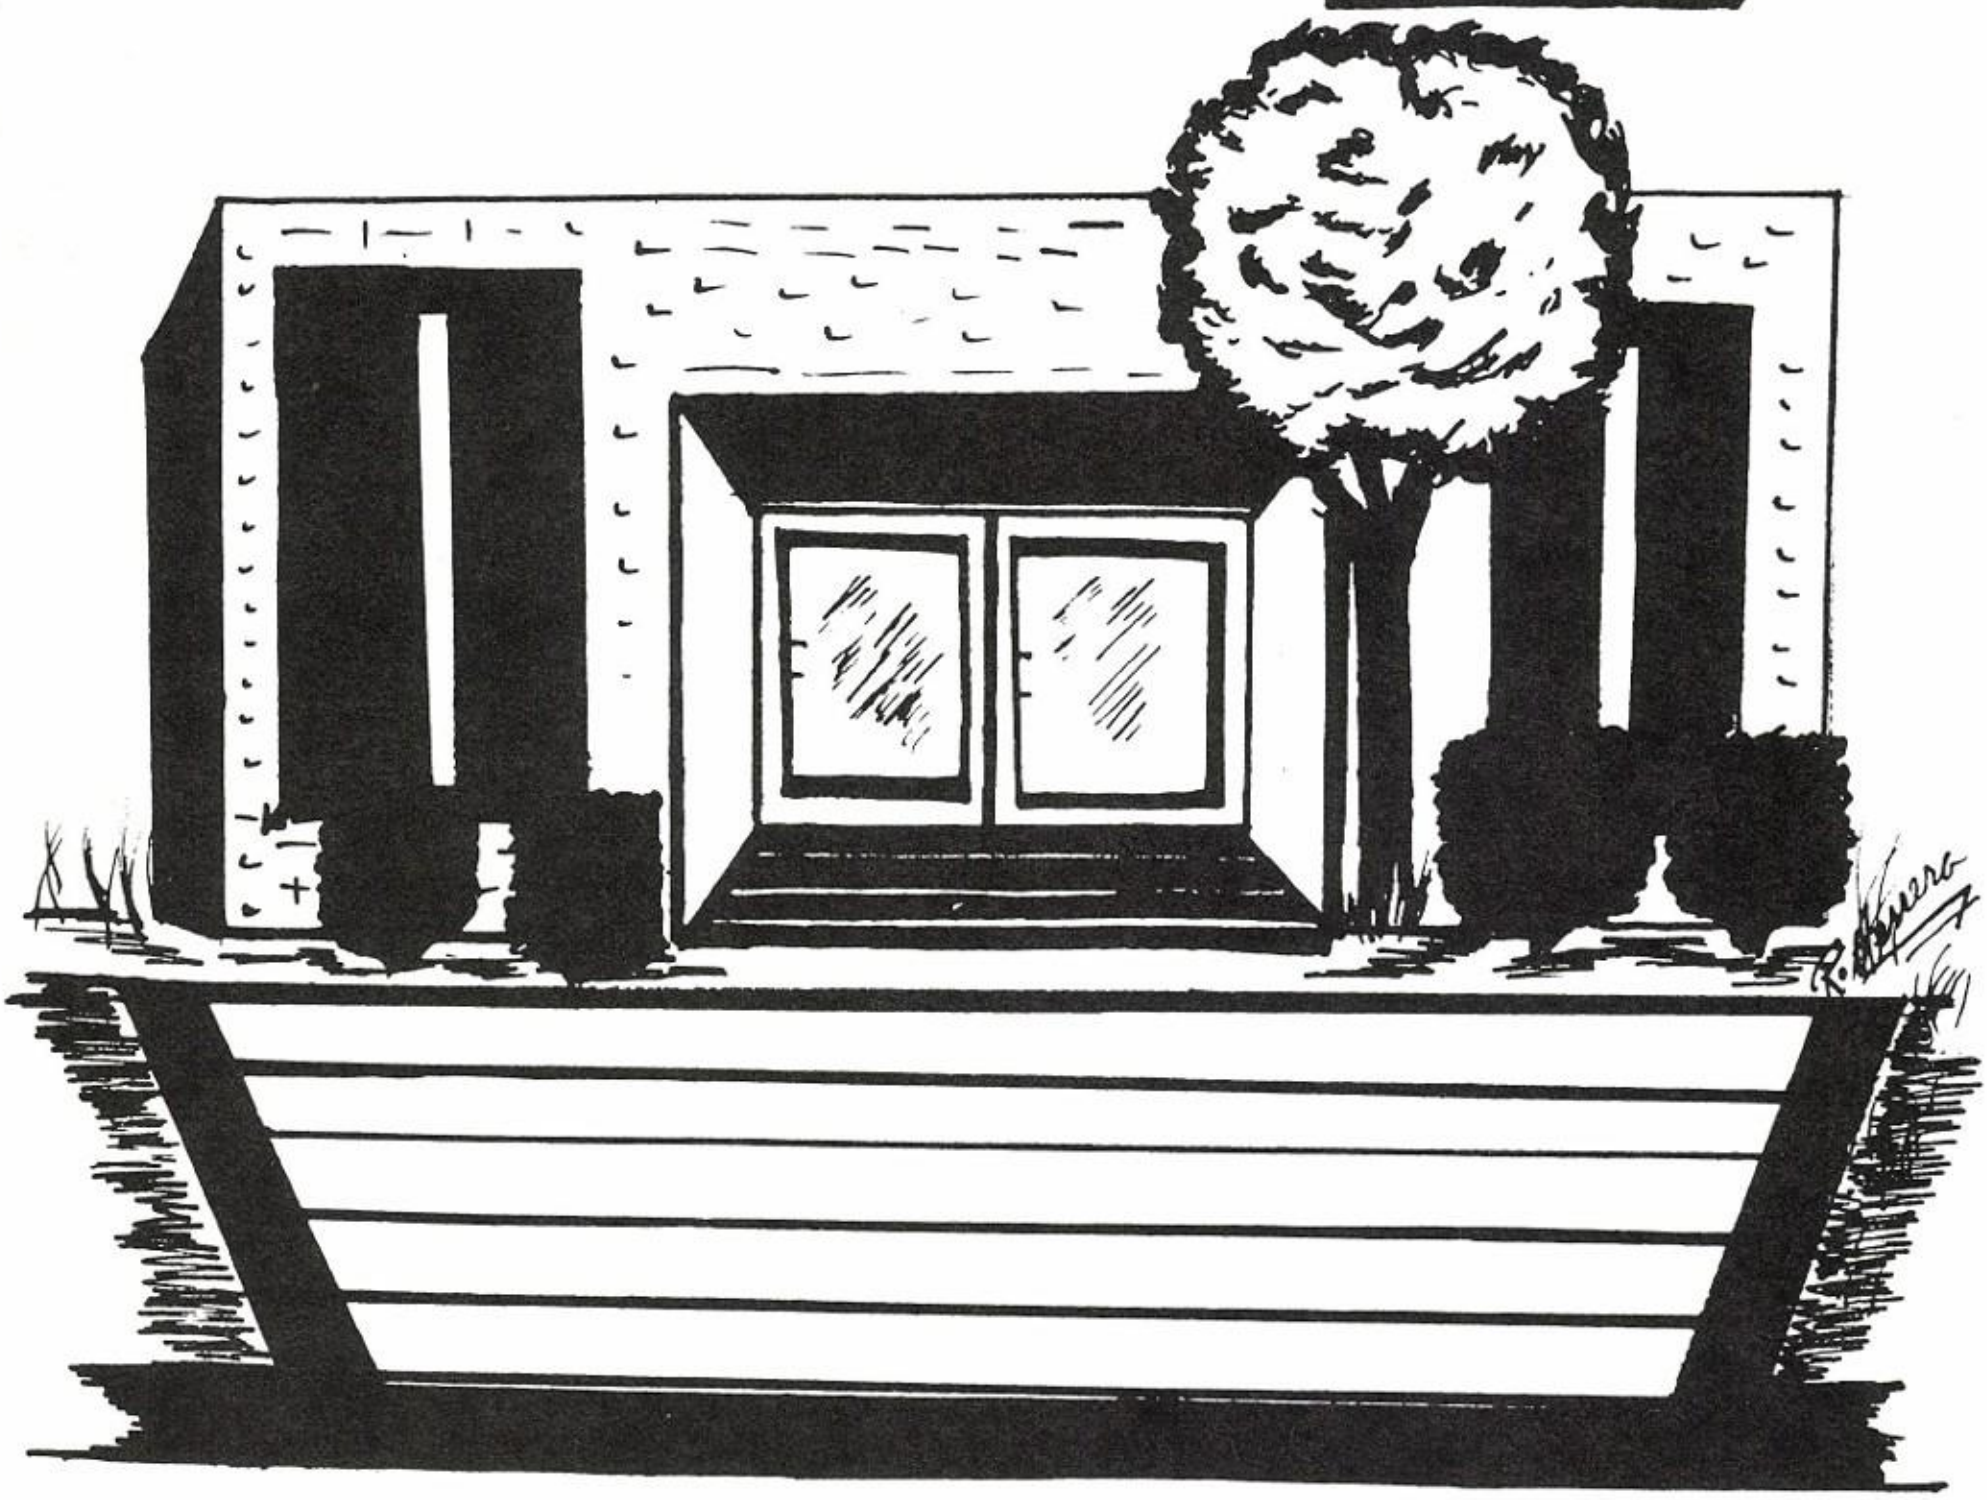
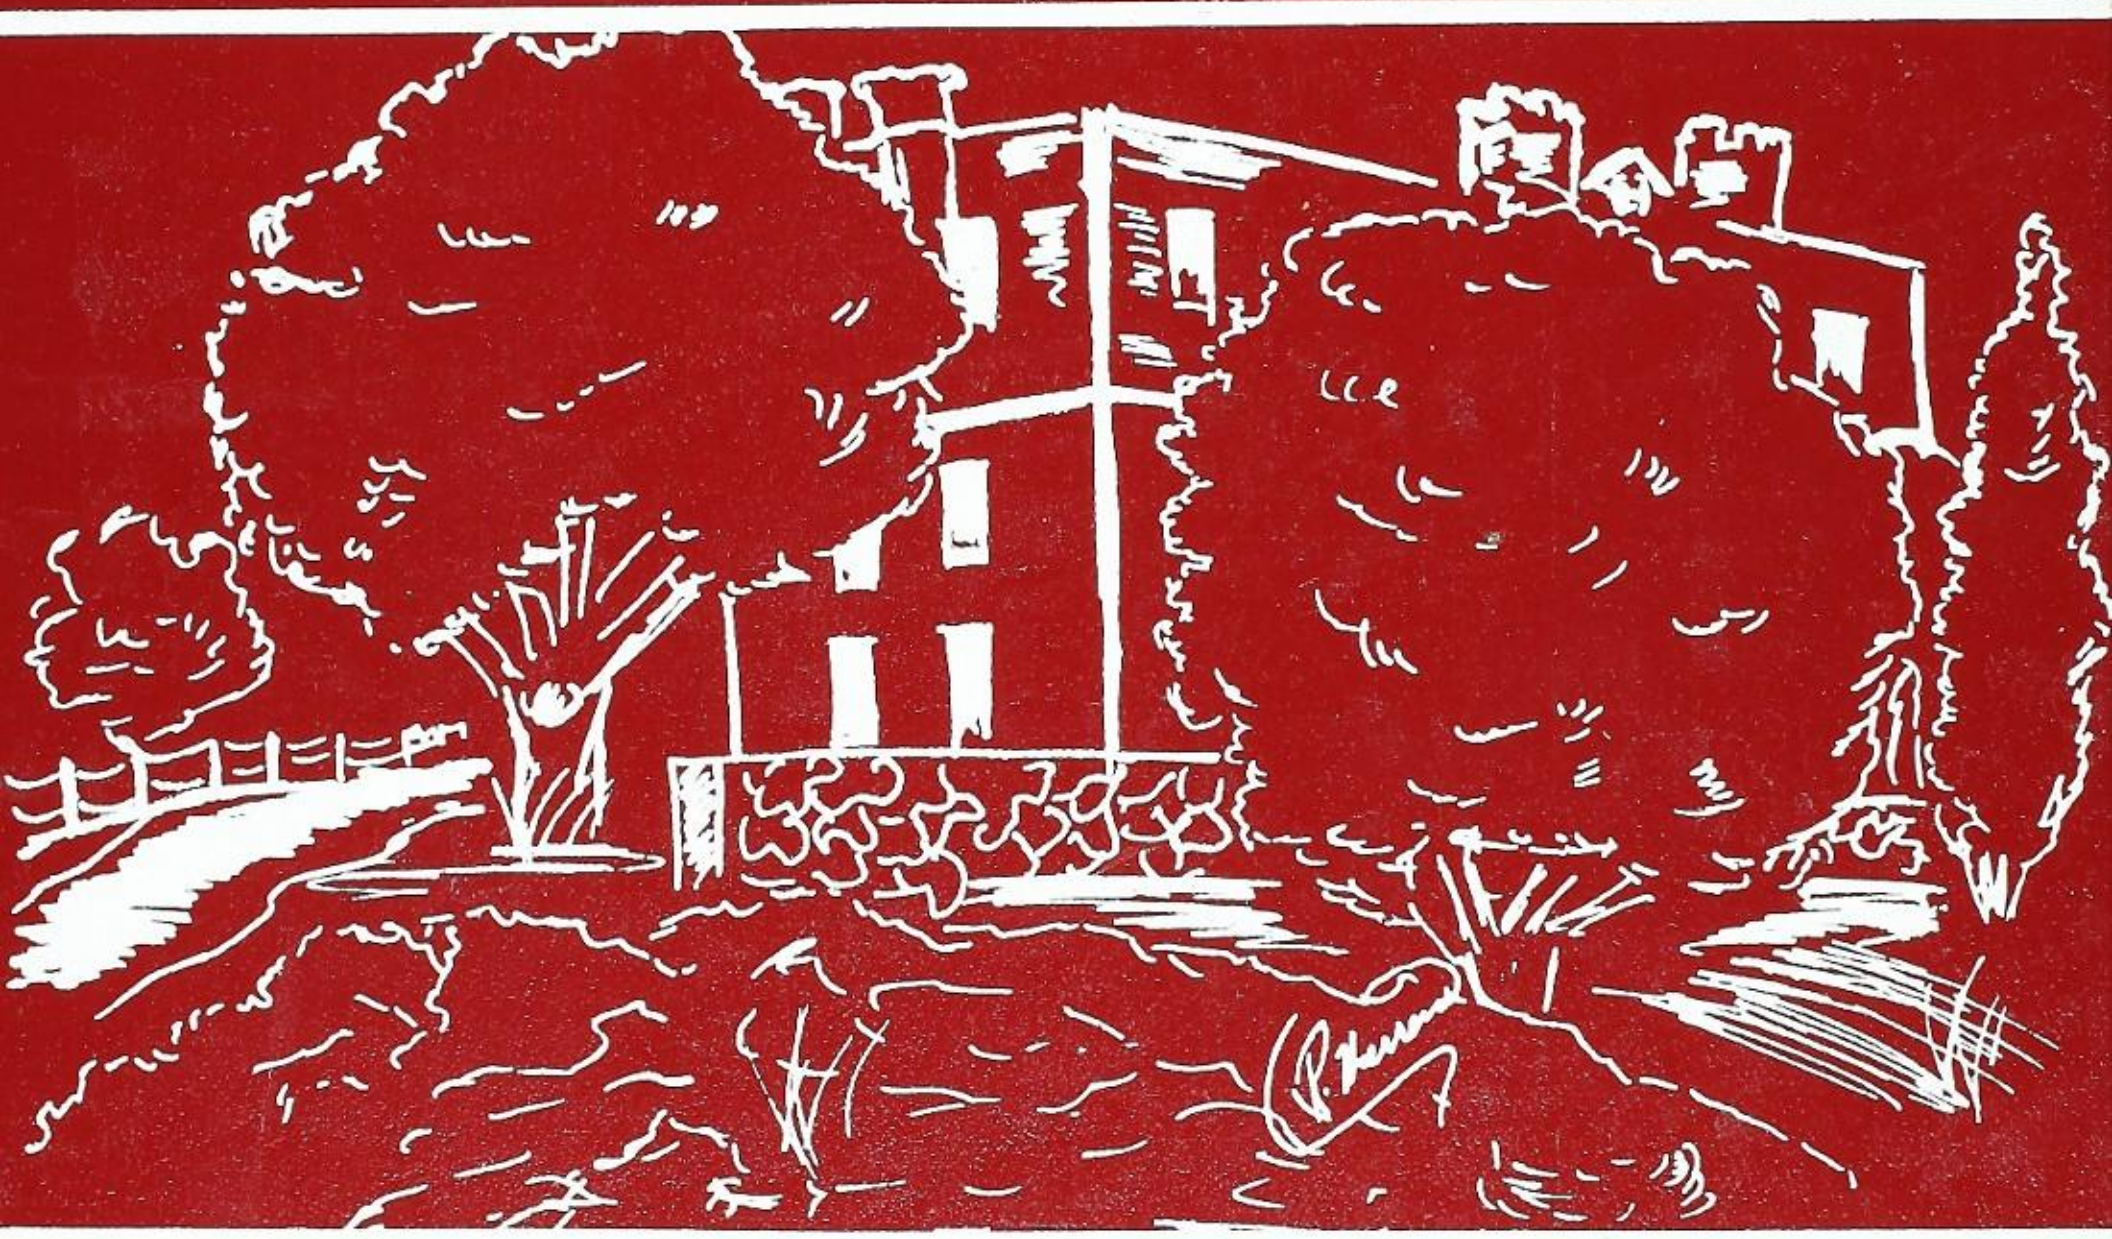
CONSTRUCTION COMPLETED





We are able to present part of the many things which happened during the school year, but we cannot begin to put into words the value that has been gained by each individual. The training and knowledge which have been received could not be replaced and the friends and memories we made will be cherished for years to come. The "good-bye's" said are really "hello's" to a different type of life. For the underclassmen, more years of high school, for the seniors, life in the world of business and higher education. But whoever we are and wherever we go, if we put our faith in God, He will show us the pathway that leads to true happiness and success.
